Dear Guests,

On behalf of the Arizona State Board of Funeral Directors and Embalmers, welcome to Arizona! We are delighted to have all of you attend the 119<sup>th</sup> Annual Meeting of The International Conference of Funeral Service Examining Boards here in beautiful Chandler.

This year's Annual Meeting will focus on regulation and host conversations regarding licensure exams, funeral service regulation, and mortuary science education; concentrating on how all of these pieces work together. There will be a panel of some of the higher-performing mortuary science education programs, and discussions of common problems facing the regulatory community. I'm sure these presentations will prove of great benefit to attendees and the regulatory entities they represent.

Once again, the staff and Board Members of the Arizona State Board welcome you to the Grand Canyon State. We hope that you have time during your visit to take advantage of the beautiful weather and scenic views Arizona has to offer!

Thank you,

Natasha Culbertson  
Executive Director  
Arizona State Board of Funeral Directors and Embalmers

*"To Maintain and enforce a set of standards that provides protections for the health, safety and welfare of Arizona citizens by educating the consumer and by actively and impartially regulating those licensed to provide funeral goods and services".*
